

BOIL WATER ADVISORY

CUSTOMERS OF THE WOODRUFF ROEBUCK WATER DISTRICT

DATE: 07/08/2026

The Woodruff Roebuck Water District is advising the customers located in the areas listed below that they will need to boil their water prior to drinking or cooking.

AREA: WOODRUFF AREA- EDGEWOOD CIRCLE, AND EDGEWOOD LANE

REASON: An interruption of water service occurred in your area. There should be no contamination of the system. However, because of the loss of pressure or loss of water in your area, the potential for contamination exists. Residents should continue to vigorously boil their water for at least (1) full minute prior to drinking or cooking until notified by the WRWD. Also, any ice made from water that has not been boiled should not be used for drinking purposes.

WHAT'S BEING DONE: Water System Personnel and/or contractors will work quickly to restore service to this location.

REPEAL: The condition of the ADVISORY should be followed until notified through a REPEAL by the WRWD. The repeal will be on WWW.WRWD.ORG. The repeal is typically issued within two (2) business days from the time the water line is put back in operation.

The WRWD apologizes for any inconvenience this may have caused. If you should have any questions concerning this **Boil Water Advisory**, please contact the WRWD office.
